

# Martin Riemer

Biological Psychology and Neuroergonomics  
Technical University Berlin  
Fasanenstr. 1  
10623 Berlin  
Germany  
phone: +49 176 25907207  
email: [martin.riemer@tu-berlin.de](mailto:martin.riemer@tu-berlin.de)

homepage: [martinriemer.com](http://martinriemer.com)  
Web of Science Researcher ID: AAK-1399-2020

## Education

- 02/2013 Ph.D. in Psychology, University of Mannheim (summa cum laude)
- 02/2009 Diploma in Psychology, University of Mannheim
- 2003-2009 Courses in Psychology, University of Mannheim
- 2002-2003 Courses in Physics, University of Heidelberg

## Employments and Work Experiences

- since 2021 Principal Investigator (Research Project: Time-space interference) at the Department of Biological Psychology and Neuroergonomics, Technical University Berlin
- 2022-2023 Professor at the Department of Cognitive Psychology and Ergonomics, Technical University Berlin
- 2018-2021 Postdoctoral Researcher at the Department of Experimental Psychology, University of Groningen, Netherlands
- 2014-2018 Postdoctoral Researcher at the German Center for Neurodegenerative Diseases (DZNE), Magdeburg
- 2008-2013 Research Assistant at the Otto-Selz-Institute (Laboratory for Clinical Psychophysiology), University of Mannheim
- 2006-2007 Internship at the Brain Research Laboratory, University of Vienna, Austria. *Project: Subliminal release of the feedback-related negativity (FRN)*

## Funding ID and Awards

- 2021-2025 Research Grant for project '*Age-related changes in time-space interferences and their relation to dysfunctions of the medial temporal lobe*'. Funding body: German Research Foundation (DFG)
- 2019-2021 Research Grant for project '*Time perception in real-life scenarios and its value for clinical diagnostics of early-stage dementia*'. Funding body: German Research Foundation (DFG)
- 2017-2020 Research Grant for project '*Resolving complex decisions via planning and associative value generalisation*' (with PD Dr. Gerhard Jocham). Funding body: Center for Behavioral Brain Sciences (CBBS)
- 2016-2018 Research Grant for project '*AGETIME*'. Funding body: Europäische Sozialfonds (ESF)
- 2014 Travel Grant for the International Conference on Timing & Time Perception in Korfu, Greece. Funding body: GlaxoSmithKline Stiftung (GSK)
- 2011-2013 Doctoral scholarship (LGFG) from the University of Mannheim
- 2012 Baden-Württemberg-Certificate for University Didactics
- 2009 Otto-Selz-Award of the Faculty of Social Sciences (University of Mannheim)

## Teaching and Supervisions

- 2022-2023 Representation of the department of Cognitive Psychology and Ergonomics at the TU Berlin (9 SWS, including courses on "Kognitive Ergonomie und Usability Testing", "Methoden des Usability Engineering und Testing", "Special Topics in Cognitive Psychology")
- since 2014 Supervision of 8 PhD, 12 MSc and 7 BSc theses at the Universities of Magdeburg and Groningen, and at the TU Berlin
- 2010-2021 Various MSc and BSc courses at the Universities of Mannheim, Magdeburg and Groningen, including courses on "Somatoforme und stressbedingte Störungen", "Körperwahrnehmung und Stress", "Klinische Diagnostik", "Affektive Störungen", "Klinische Psychologie", "Methods in Experimental Psychology and Psychophysics", "Spatial Cognition"

## Organisation of Conferences, Workshops and Symposia

- 2024 Virtual Reality and the Perception of Time. *Symposium at the TeaP in Regensburg, Germany*
- 2023 Temporal and Multisensory Processing in Virtual Reality. *Symposium at the 3<sup>rd</sup> Conference of the Timing Research Forum (TRF3) in Lisboa, Portugal*
- Time and Timing in Human-Computer Interaction. *Workshop at the Mensch und Computer (MuC) conference in Rapperswil, Switzerland (DOI: 10.18420/muc2023-mci-ws05-106)*
- 2018 2<sup>nd</sup> Interdisciplinary Symposium on Spatial Cognition in Aging and Neurodegeneration (iSCAN). *Research conference held at the DZNE Magdeburg, Germany*
- 2017 Interrelations between the Representation of Time and Space. *Symposium at the 1<sup>st</sup> Conference of the Timing Research Forum (TRF) in Strasbourg, France*
- 2015 The Body in Space. *Symposium at the IV International Conference on Spatial Cognition (ICSC) in Rome, Italy*
- 2012 New Applications for the Rubber Hand Illusion. *Symposium at the 54<sup>th</sup> TeaP in Mannheim, Germany*

## Invited Talks

- 2023 Underlying premises for using virtual reality in time perception research. *Annual Student Symposium "Keeping Track: Time perception and numerosity in brains and machines", Sainsbury Wellcome Centre, London, UK*
- 2022 Time-space interferences in virtual reality. *Vernetzungs-Workshop "Zeitforschung und Mensch-Maschine-Interaktion", University of Regensburg, Germany*
- 2021 Time perception in real-life scenarios and its value for clinical diagnostics. *German Center for Neurodegenerative Diseases (DZNE), Magdeburg, Germany*
- 2019 Age-related changes in the memory for temporal intervals. *Symposium "Time and the Brain" in Bochum, Germany*
- 2018 Neural representations of time and space. *University of Tübingen, Germany*
- 2015 A 'view from nowhen' on negative errors in time reproduction. *Research Centre for Computational Neuroscience and Cognitive Robotics (CNCR), University of Birmingham, UK*

## Memberships

Deutscher Hochschulverband (DHV); Timing Research Forum (TRF); Society for Neuroscience (SfN); German Society for Psychologists (DGPs); International Society for Psychophysics (ISP); Center for Behavioral Brain Sciences (CBBS); Bernstein Center for Computational Neuroscience (BCCN)

## Review Activities

Adv Cogn Psychol, Atten Percept Psychophys, Behav Brain Res, Behav Res Methods, Cognition, Conscious Cogn, Curr Biol, Exp Brain Res, Front Psychol, In Mind, J Cogn Neurosci, J Exp Psychol, J Neurosci, NeuroImage, PLOS ONE, Psychol Neurosci, Psychol Res, Q J Exp Psychol, Scand J Psychol, Timing Time Percept, a.o.

## Publications

### Peer-reviewed journal articles
